## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

## ASSIGNMENT OF PATENT APPLICATION

For good and valuable consideration, the receipt in sufficiency of which is hereby acknowledged, I/we the undersigned inventor/co-inventors who have created a certain invention entitled:

**"DRY, MOULDABLE DRUG FORMULATION"**

for which an application was filed on April 17, 2000, Serial No. 09/550,857, do hereby sell, assign and transfer to Novo Nordisk A/S, having a place of business at Novo Alle, 2880 Bagsvaerd, Denmark, hereinafter referred to as ASSIGNEE, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application where applicable and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations, divisions, substitutions, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts and treaties;

I/We agree the ASSIGNEE, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said ASSIGNEE, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignment, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said ASSIGNEE, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said ASSIGNEE, its successors, assignees, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said ASSIGNEE, successors, assigns, or legal representatives; and

I/We covenant with said ASSIGNEE, its successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property

herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
